

Ad Sale Selling info

We meet Saturday AM at Hardee's, Jan 26th.

Attendees: Jim Weisgram- Laurie Prpich- Lisa Petersen- Julie Odegaard- Jackie Borr- Mitzi Austin

Hand Outs!

List of Player sold and available list was handed out along with Ad info and order forms. Layout forms were also included in packet. We have decided not to assign the Dex phone book pages because there are lot of ads to sale from the available list from players who have gone and not playing.

Everything coming Soft Copy!

One this list all ads that are shaded are available to sell. Your player needs to give you a list of ads (10 to 15) along with the ads they sold last year so your coordinator for your team can present to the Coordinator **on Feb 13th at Hardee's , 7-9**. At this time new ads will be assigned to players for you to contact.

NO contact of customers at this time until after the Feb 13th meeting because if you contact a customer and you are not assigned the ad to sell the person who is assigned will receive the credit for the sale.

Team Coordinators

When you come on Feb 13 please bring **2 copies** of the player's ads they wish to sale. One will stay with Jackie Borr to make sure there are no duplicate players selling to the same customer.

Team coordinators should be contacted by Friday, Feb 15 to release the ads to the players to SELL.

Players you have until May 5th to sell ads.

Thanks for helping make this work- Jackie Borr
